Webinar

GTaxPro: A smart solution for e-invoicing

Sir/ Madam

This is in reference to the current amendment made in the **E-Invoicing process related to GST**. **On 1 October 2020**, the government introduced e-invoicing for registered persons whose aggregate turnover exceeds **INR 500 crore** for reporting of **B2B invoices into the GST system**. Furthermore, this was also extended to companies with turnover exceeding **INR 10 crore from 1 October 2022** (**vide Notification No. 17/2022 – Central Tax, dated 1 August 2022**). Hence, many businesses would be entering this system for the first time and might face difficulties to adhere to the compliances.

Considering the fact, Grant Thornton Bharat has taken an initiative to disseminate knowledge regarding **"E-Invoicing".** Highlighting the importance and process flow of e-invoicing vide the notifications, FAQs and solutions we offer through **GTaxPro**, Grant Thornton Bharat is organising a **webinar** on**:**

Date: 2nd September 2022 (Friday), Time: 11:30 am – 12:30 pm.

We invite all the members of your association to attend the webinar for better dissemination of knowledge.
